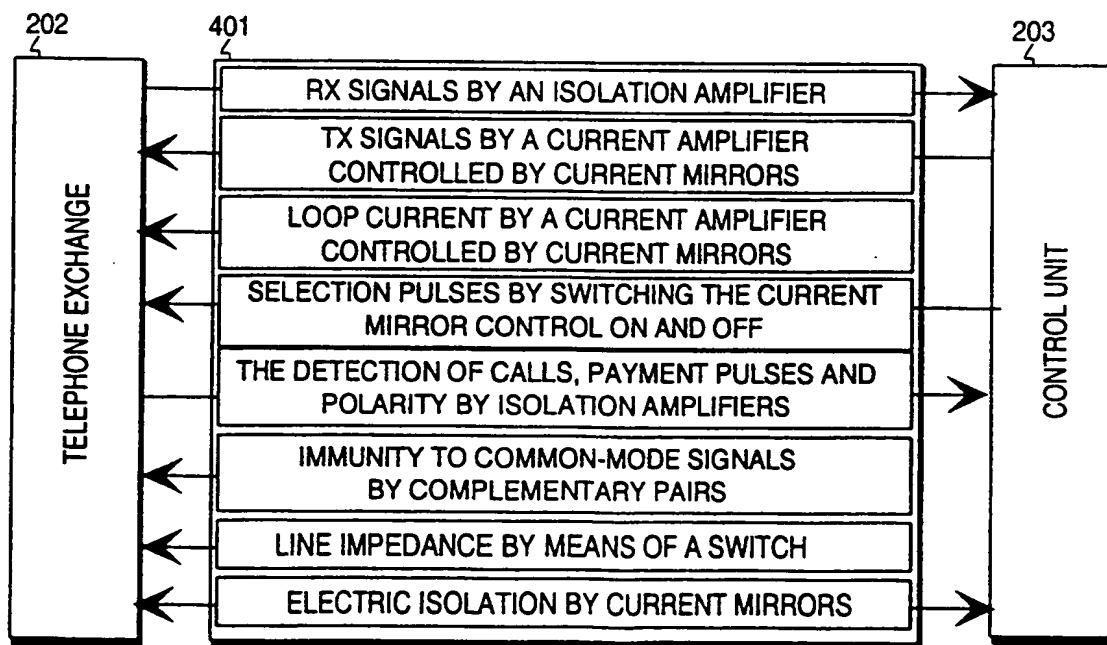

Fig. 4

Figure 1 displays 12 histograms, labeled x_0 through x_{11} , showing the distribution of the number of non-zero elements in the vector x_k . The x-axis for each histogram is 'Number of non-zero elements' (0 to 10), and the y-axis is 'Frequency' (0 to 10). The distributions are roughly bell-shaped and centered around 5-6 non-zero elements.
